EXPRESSJET MANDATORY MEETINGS

Sisters and Brothers:

We have requested the Company suspend all in-person meetings for the time being to reduce further exposure to the members. The Company has agreed that it makes sense, so in lieu of in-person meetings they will be held via conference call. You are entitled to union representation on these calls. Once this time of social distancing has subsided, we will return to in-person meetings. If you have any questions, please contact your local grievance representatives.

In solidarity,

Sara Gonzales
