LINE HOLDER RX DAY UTILITZATION

Sisters and Brothers:

We are pleased to let you know schedules are currently being updated for line holders who have had RX days placed on their schedules.

If you are a line holder and have had a RX day placed on your schedule, you should only be utilized if there is a shortage of reserve coverage.

We want to thank you for your patience and understanding as we have worked through this process with the company. As always, if you have any questions, please contact your local grievance representative.

In solidarity,

Sara Gonzales
